I'm a Marriott guy but I'm fine with Holiday Inn and would be more convenient with breakfast.

Not needed. Holiday Inn Express in Summerville looks pretty new and has breakfast. Courtyard does not have free breakfast. Do you have a preference?

Yeah, for site visits in that area I always wind up staying in Summerville or North Charleston, but both are ~45min from the site.

So, I'm not seeing much in Moncks Corner proper but there are several options down the road in Summerville. Is that too far?

Mr. Brown will allow us one day on the site so that day will be next Wednesday at 0800. We will depart on Tuesday at 0800 and do some offsite work: connections, similarly situated wetlands, TNW and then hole up in Monks Corner for Tuesday and Wednesday nights, departing on Thursday. Chris has gallantly volunteered to check out a hotel. See you soon.
